Professional Experience

Mr. Lundgren's practice encompasses a broad range of real estate and business transactions, most often focusing on purchases and sales, leases, co-ownership arrangements, title evaluations, due diligence investigations, financing, low income housing tax credits, and homeowners' association (including compliance with the Davis-Stirling Common Interest Development Act). He has also represented clients in connection with construction and development matters, as well as assisted clients with the selection, formation, operation and transfer of all types of business entities.

Brad in the Community

Mr. Lundgren has taught at several continuing education events and published articles relating to his practice. In addition to other hobbies, he enjoys golfing, hiking, cooking, and family activities.

Areas of Practice:

- Business Law
- Real Estate
- Land Use
